## Leadership Training for Christ

LTC is built on the concept that each child and each teen has different talents and abilities. We want to maximize the use of those talents and abilities. That requires care and training with a healthy supply of encouragement.

Because there is no competition in ERLTC, the mission of the program is realized by encouraging each child and teen to reach their highest potential and learn to share their gifts with others so that ultimately others learn about Christ. This requires adult care, mentoring, training and supervision.

In short, we want to:

- ◇ Help our youth recognize and develop leadership skills
- ◇ Grow in their relationship with God, His word and His people
- ◇ Develop a lifestyle of service to God and His people

## History of LTC

Since its inception, LTC has focused on making the annual convention an opportunity to challenge young people to develop in an increasing number of leadership areas. Since 1989 conventions have been held annually over the spring in the following locations:

- North Dallas LTC in Dallas, TX
- ERLTC in Charlotte, NC
- LTC Southwest in Phoenix, AZ
- Midwest LTC in Kokomo, IN
- Central Texas LTC in Houston, TX
- Great Plains LTC in Tulsa, OK
- LTC West in San Francisco, CA
- Black Hills LTC in Spearfish, SD
- Southeast LTC in Mobile, AL
- Heart of America LTC in Kansas City, MO

**In short the LTC program is reaching and touching the lives of thousands of children and families, who in turn will touch the lives of others. Are you ready to become a part of that change?**
